Access and Use: The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

Scope and Content Note: These photographs depict medical activities during the Spanish-American War. Box 001 consists mainly of the bound volume *Medical Department Activities in Puerto Rico*. Boxes 002 and 003 are loose photographs from the Philippine Islands, Puerto Rico, and Cuba. A number of the photographs may have been taken by Army Medical Museum staff. Some of the photographs in the Philippines were probably taken by Lt. C.F. O'Keefe. See also Harper's *Pictorial History of the War with Spain* (New York: Harper & Brothers, 1899) for additional background information.
