2500 Linden Lane  
Silver Spring, MD 20910

## THREATS FROM INFECTIOUS DISEASES: A LOOK TO THE FUTURE

NOVEMBER 17, 2015, 6-7 PM

Recent innovations in military medicine are shaping how the Department of Defense will respond to global threats from infectious diseases. Join U.S. Army Colonel Matthew Hepburn, Biological Technologies Office, Defense Advanced Research Projects Agency (DARPA) for a discussion on challenges for military medicine to maintain its edge in combatting emerging infectious diseases.
