“SCARRED FOR LIFE”

A Presentation by Ted Meyer

Gaucher’s disease can profoundly affect those suffering with the rare genetic disorder. However, Los Angeles-based artist Ted Meyer’s exhibit “Scarred for Life” and his other works show a different, multi-faceted view of his experience with this disease. Join Meyer for a revealing look at how art has helped him and his subjects overcome their own injuries or conditions.

TUESDAY, NOVEMBER 19, 2013
6 – 7 PM

SILVER SPRING CIVIC BUILDING - FENTON ROOM
1 VETERANS PLACE
SILVER SPRING, MARYLAND 20910
