Guide to Korean War Photos in Signal Corps and Contributed Photographs Collections

Date of Records: 1950s

Guide revised by: Eric W. Boyle (2014)

Series/Scope and Content Note: This guide provides a list of some of the Museum's photos related to the Korean War, which can be found in OHA 250: New Contributed Photographs Collection and OHA 343: Signal Corps Photographs Collection. Although this isn't a complete list of available images in these and other collections, it is intended to provide a representative overview of the types of photographs housed in the Otis Historical Archives.
