## OHA 193 Hollister Collection

**Date of Records:** 1908-1965

**Size:** 3 Boxes

**Finding Aid:** Revised by Eric W. Boyle (2012)

**Access and Use:** The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted. Files containing private patient information and protected administrative and grant records are currently closed to researchers.

**Series/Scope and Content Note:** This collection consists of the papers of Clark J. Hollister, DDS, an early dental hygiene advocate who established the dental division of the Pennsylvania Department of Health in 1920 and served as its director until 1933. Materials in the collection include photographs, speeches, correspondence, articles, certificates, a yearbook, and newspaper clippings documenting mobile dental hygiene units, dentistry in World War I, and state public health efforts.
