OHA 375
WRAIR Korean War Photographs Collection

Date of Records: 1951-1953

Size: 9 boxes

Finding Aid: Initial inventory by Carter Rila (1995); revised by Eric W. Boyle (2014)

Access and Use: The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

Series/Scope and Content Note: This collection consists of unidentified photographs from the Walter Reed Army Institute of Research (WRAIR) of Korean War medical scenes, including pathological photographs and images of field medicine, evacuations, medical staff, hospitals, hospital ships, equipment, ambulances, and helicopters. The descriptions in this finding aid are designed to provide an overview of the content of the content of images. See also New Contributed Photographs (OHA 250) for other WRAIR photographs from this period.
