

NATIONAL NURSES WEEK

Each year, May 6-12 is designated “National Nurses Week,” ending with a commemoration of the birth of Florence Nightingale, the founder of modern nursing.

Join NMHM for a special, docent-led tour to honor military nurses from the Civil War to the war in Iraq as we highlight the contributions of military nurses from all of the military service branches.

SATURDAY, MAY 6, 1 PM

Reservations recommended but not required; meet in the museum lobby. Call (301) 319-3303 or email USArmy.Detrick.MEDCOM-USAMRMC.List.Medical-Museum@mail.mil for more information.
